FALSE ALARM IS DEFINED AS:

Any signal actuated by a police or fire alarm device, devices or system of police or fire alarm devices which is not the result of natural disaster, act of God, a criminal act, fire or other emergency requiring police or fire response. The term "false alarm" shall include human error and equipment malfunction causing the alarm to be activated and which results in police or fire response.

False Alarm Fees are assessed according to the following schedule:

Number of False Alarms	Residential	Commercial
1	\$0	\$0
2	\$0	\$15
3	\$15	\$40
4	\$30	\$75
5	\$45	\$150
Each After 5	\$45	\$300

The Police Chief of the Town of Yorktown shall cause to be kept an up-to-date and accurate log of all false alarms occurring in the Town and shall transmit a report of such false alarm to the licensing authority and the Town Board on a monthly basis or, in the Chief's discretion, on a more frequent basis. Any owner or lessee of property having a police or fire alarm device, devices or system of police or fire alarm devices on his or her premises shall pay to the licensing authority, upon demand, a charge for each and every false alarm occurring on his or her premises in any alarm permit year in an amount as set forth in the Master Fee Schedule.^[1]In addition to the above charges, should more than six false alarms occur at any one premises during any one alarm permit year, the Town Board of the Town of Yorktown, following a hearing at which such owner or lessee may be present and present evidence, may revoke the alarm permit of the owner or lessee of such premises and order said owner or lessee of such premises and order said owner or lessee to disconnect or dismantle or otherwise remove from the Police Department of Fire Department and/or central alarm station any police or fire alarm device, devices or system of police or fire alarm devices causing such false alarms, at no expense to the town, and any failure by such owner or lessee to comply with said order within 10 days of its issuance shall be deemed to be a violation of this chapter pursuant to the provisions of § 105-16 of this chapter. The designation of a false fire alarm will be determined by the Fire Department and reported to the Police Department.

Any person, business, firm, corporation or other entity who does not pay any fee or charge established in this chapter or who violates any provisions of this chapter shall be subject to a fine not in excess of \$250 or imprisonment for 15 days, or both, for each offense. A separate offense shall be deemed committed upon each day during which a violation occurs or is committed. Upon trial of any violation of failure to pay a false alarm charge, the defendant shall be entitled to a trial de novo.
