

## Five Year Capital Plan

The Capital Plan is a blueprint that sets out major infrastructure projects that the Town hopes to be able to undertake over the coming five years, as well the purchase of vehicles and equipment that have greater than a five-year life span. The Plan includes both "must do" projects such as road and bridge repairs and "it would be nice to have" projects such as a new park and / or recreational facilities.

The capital planning process begins with department heads identifying the major projects they feel should be implemented, along with the estimated costs associated with each project and whether the project is likely to be funded by borrowing, grants, the fund balance or the annual budget.

The list is then reviewed by the Town Board which has two main tasks: first, to prioritize the projects based on need, and second, to the extent that borrowing will be necessary to fund many projects, determine how much debt service the Town can responsibly take on each year.

Based on that review the Town Board adopts, as part of the Budget, a one-year Capital Budget that lists the projects likely to be implemented during that year and how each of the projects will be funded, and a five-year Capital Plan that looks ahead to the projects that will need to be completed in the future.

Debt for projects previously approved as well as new capital projects funded by borrowing is reflected in the debt service portion of each of the funds having a liability of principal and interest payments.

## OPEN SPACE

The residents of the Town of Yorktown recognized the value of open space areas and the need to preserve land in this state for use as active and passive parks and recreational facilities.

A public hearing was held on September 5, 2000 for the purpose of determining the best method to create an open space and conservation district. At that time the Town Board determined that the best method to fund this district was through a \$30 per lot charge.

On November 7, 2000 the People of the Town of Yorktown voted on the following Proposition:

*"Should the Town of Yorktown create a dedicated Open Space and Conservation District, subject to New York State enabling legislation, that would be funded through an annual per lot charge of \$30*

The Proposition passed overwhelmingly and The Town of Yorktown made an application to the New York State Legislature.

On November 8, 2005 the residents then voted to approve Proposition No. 1 which authorized the issuance of serial bonds not to exceed \$5,000,000 to pay the cost of the acquisition of parcels of land for active and passive parks and recreational purposes and the preservation of open spaces throughout the Town of Yorktown.

Ch. 704, Laws of 2005 was recorded by the Office of the State Comptroller to establish the Town of Yorktown Open Space and Conservation District on February 27, 2006.

## PARK AND IMPROVEMENT DISTRICTS

The Town of Yorktown operates six park districts and one lake improvement district.

These districts were created over the last thirty years at the request of residents in each of the geographical areas to improve the quality of life in their particular neighborhood.

Four of these Park Districts ~ Amazon Park, Mohegan Beach, Mohegan Highlands and Shrub Oak Lake Estates ~ are located and operate summer beaches on Mohegan Lake. Shrub Oak Community Beach Park District is situated in the Shrub Oak Hamlet on a widened and dammed part of the Shrub Oak Brook. It also provides a beach facility for district resident use.

The Bethel Acres Park District was created during the planning and subsequent approval of the Bethel Acres Subdivision. It is an area of scenic woodlands located on Granville Court in the vicinity of the Franklin Roosevelt State Park.

The Lake Mohegan Improvement District includes most of the homes in the Mohegan Lake Hamlet. It was created solely for the purposes of maintaining and enhancing the quality of waters of Lake Mohegan and its surrounding area.

The use of these districts is exclusive to district residents. Budgets for each of these districts are prepared by elected district boards and submitted to the Town Comptroller. The Town collects monies through taxes from each of the district residents according to each district's budget.

The Town provides further services to these districts mainly through Finance, Parks & Recreation and Environmental Conservation Departments. The Finance Department administers accounts payable and district payrolls. Arrangement to pick up district refuse is made with the Environmental Conservation Department. The Recreation Department assists districts in preparing swimming safety plans and obtaining Westchester County Health Department beach operating permits. Other Town Departments have also provided assistance as requested.

## EMPLOYEE SALARY INFORMATION

The following is a listing by department of all employees and their salaries for the past year, current year and budgeted year. Part Time employees have also been included in this listing.

With the exception of the department heads, part time employees and police officers, all employees are part of the Civil Service Employees' Association and are paid according to the bargaining agreement's salary schedules that reflect job titles in increments of five annual steps.

The Police Benevolent Association bargaining unit represents the police officers, detectives and sergeants. The lieutenants are represented by the Superior Officers bargaining unit.

Salaries are reflected in accordance with the applicable agreement.
