~ Patricia Caporale

The Town of Yorktown is more than a place to live; it is a way of life.

A vital location in the War for Independence; it is a township that took its name from the battle that decisively cemented our dominance over the British troops. Yorktown was first settled in 1683 as part of Van Cortlandt Manor, and was incorporated in 1788 as our nation was forming the principles of democracy we live by today. There is no doubt; each of us is a part of the history and responsible for upholding the legacy. These freedoms shall be preserved and each citizen should experience the treasures of nature, history, individual respect, neighborhood and learning. As resources and energy allow, each of these gifts from the past will be enriched in the present for those yet to come.

We, as a Town in the State of New York, shall do our best to strive for Progress with Preservation.

The Assessor's Office annually conducts permit and/or inventory inspections that may result in an assessment adjustment. The Assessor's Office is responsible for maintaining current ownership records of each parcel and processes all real property sale transfers. This office also administers various real property tax exemptions authorized under State and local law. These exemptions include STAR, veterans, senior agricultural clergy and partial or full exemptions for certain parcels owned by non-profit organizations which qualify by reason of religious, charitable or educational use. In all cases, application for these exemptions must be filed no later than June 1st.
