HEAVY MOTOR EQUIPMENT OPERATOR

GENERAL STATEMENT OF DUTIES:

Under general supervision, operates one or more types of heavy automotive equipment and performs a variety of manual tasks in connection with such operations; does related work as required.

DISTINGUISHING FEATURES OF THE CLASS:

Under general supervision, employees in this class perform recurring manual duties in connection with the operation of complex heavy motor equipment. They receive general direction from a supervisor, but are responsible for the safe and economical operation and care of their equipment on assigned tasks. Incumbents in this class perform manual tasks in connection with assignments. Supervision may be exercised over subordinate employees. This class differs from Motor Equipment Operator in that the primary function of this job is the operation of equipment requiring a Commercial Driver's License, "A", (CDLA).

EXAMPLES OF WORK: (Illustrative Only)

Regularly drives and/or operates complex automotive equipment which requires the CDLA;

Operates heavy duty trucks, or trailer trucks in connection with the transporting or collections of large quantities of materials or heavy duty supplies;

Operates heavy duty steam roller, power shovel, front end loader, bulldozer, sweeper, road grader and other types of heavy equipment;

Operates heavy-duty crane at construction sites;

Occasionally performs minor repairs on heavy-duty automotive equipment so that equipment will operate efficiently;

Operates all types of automotive equipment as necessary.

REQUIRED KNOWLEDGE, SKILLS, ABILITIES AND ATTRIBUTES:

Thorough knowledge of the operation of heavy duty automotive equipment; thorough knowledge of safety precautions of the trade; ability to understand and follow oral and written directions; mechanical aptitude; industry; dependability; physical condition commensurate with duties of the position.
