### *Letter from the Town Supervisor*

Pools are closing and the kids are heading back to school. Soon both the leaves and the temperatures will be dropping. Time to make plans for fall and winter activities.

I am pleased to introduce the Parks & Recreation Department's 2011 Fall and Winter Activities Brochure. As usual, they are proud to offer a wide range of programs for all age groups, from tots to seniors.

There are preschool programs for children as young as 3 years old. School age children and teens can learn how to cook, play chess or make jewelry. Or they can mountain bike, go horseback riding, or take Red Cross training to become babysitters.

Adults can keep in shape via kickboxing, pilates or Zumba classes, and seniors can sign up for painting, yoga or line dancing. There really is something for everyone!

Special seasonal events such as the Great Goblin Call and the Halloween Parade/Carnival in October, and the annual Tree Lighting ceremony at the Jack DeVito Gazebo in December are perennial family favorites.

I hope you'll sign up early and take advantage of these wonderful programs and activities. They remain a great bargain and an enjoyable way to stay active.

Be adventurous and have fun!

Susan Siegel
