

Summer Day Camp Program

Medication Permission Form

Dear Parent/Guardian,

- Any camper or staff member needing to take/possess medication during the camp day must submit and have on file a completed “Medication Permission Form”.
- Please use the “*Yorktown Parks & Recreation Summer Day Camp Medication Permission Form*”. School forms are **not** valid. You **and** your child’s prescribing Doctor must sign this form.
- There are two (2) forms – one (1) for Medications and Self Administration, and one (1) for Epi-Pen/Inhalers. Permission is needed for over the counter (OTC) medications that are prescribed by physician (ex. Benadryl). Please fill out the appropriate form.
- Please remember that all medication must be current and in its **original** package or prescription bottle.
- Please be sure to bring all medications and completed form on the **First** day your child attends camp. Campers will not be able to participate in camp without appropriate form on file. If needed, Camp Directors can withdraw campers from groups without medical forms.
- All medicine should be provided in the following manner:
 - Placed in a Ziploc bag in its original container
 - Include child’s name and photograph
 - If your child is to carry his/her own medication, please make sure it is clearly labeled and easily accessible.
- Medication should be picked up on the campers last day of camp. After camp ends all medications can be picked up at the Parks & Recreation Office. All medicines not picked up will be discarded by September 1st.

Thank you. We look forward to a safe and healthy summer!

Sincerely,

Yorktown Parks & Recreation
