Mr. Dennis Antonucci spoke about Wood Street and is concerned with the parking situation on 6N and the litter on the roadway.

Supervisor Grace stated that part of the problem is that there is not enough parking in the area. The Town owns property on the corner of Wood Street and East Main Street and the Highway Superintendent Dave Paganelli feels that a municipal parking lot can be made to provide about 14 spaces which will help get cars off the road.

Councilman Bernard stated that he has met with many of the residents around the Osceola Beach area and will continue to work with the Highway Superintendent and Public Safety Officer Larry Eidelman to provide for a safe community and address residents concerns.

Mrs. Donadio stated that there should be No Parking Signs put up in the area and would like to see the municipal parking lot created. Still waiting for lamp post and paving of the road.

Councilman Diana stated that the Facebook page is Yorktown against Heroin.

The Town Board addressed comments made during Courtesy of the Floor.

Supervisor Grace stated that the fund balance is a fluctuating figure, a deal was negotiated with Algonquin Gas Transmission to temporarily use portions of parkland. Algonquin is also doing mitigation work at Junior Lake Memorial Park. In regards to work on Broad Street, the use of town employees on private property is considered a misuse of public funds.

Councilman Patel spoke about the fluctuating fund balance and live broadcasting work sessions.

Councilwoman Siegel spoke about the stormwater report, PA system and speeding problems on Wood Street.

Councilman Bernard stated that all the money received from Algonquin Gas Transmission will be put in the General Fund and everyone will know what the money is being used for.

PUBLIC HEARING FOR A WETLANDS PERMIT
WINERY AT ST. GEORGE, LLC

Supervisor Grace called to order a public hearing to consider the application of Thomas DeChiaro, Old St. George's LLC for an amended Site Plan. He will restore the wetlands and create 12 parking spaces on a small portion of town-owned property and asked the Town Board to alienate that small portion to do a land swap so that the Town can control the Mohegan Outlet on the other side of his property.

Councilman Patel asked for the Town Attorney's opinion on this issue.
