Section 1. **Proposal Form**

- 1.1 Bidder shall complete the Proposal Form by filling in the unit price and the total price in the appropriate designated spaces. Unit price and total price of each item shall be written legibly in ink, or typed. All proposals shall be signed in ink. Any erasures or alterations shall be initialed in ink by the signer. The completed Proposal Form shall be submitted, along with any documentation in support of the proposal if required by the Proposal Documents, in a sealed envelope addressed as required in the Request for Proposals on or before the time and at the place so designated. Any Proposal Form which has been materially altered in any way may render the proposal nonresponsive and the proposal rejected.
- 1.2 In the event of a discrepancy between the unit price and the total price of the Proposal Form, the unit price will prevail. All prices must be quoted "per unit" quantity specified. All items not bid shall be indicated as "not bid" in the total price space. When proposals are requested on a lump sum basis, proposer must bid on each item in the lump sum group. A proposer desiring to bid "no charge" on an item in a group must so indicate.
- 1.3 Failure to comply with the provisions of this section may be grounds for rejection of the proposal.
- 1.4 Correction or withdrawal of a proposal because of an inadvertent, non-judgmental mistake in the Proposal Form requires careful consideration to protect the integrity of the competitive proposal process, and to ensure fairness. If the mistake is attributable to an error in judgment, the Proposal Form may not be corrected. Proposal correction or withdrawal by reason of the non-judgmental mistake is permissible at the sole discretion of the Town Clerk, but only to the extent that it is not contrary to the interests of the Town or the fair treatment of other bidders.
- 1.5 By signing the Proposal Form, the bidder certifies that:
 - i. the person whose signature appears below is legally empowered to bind the bidder;
 - ii. the bidder has read the complete Proposal Documents and understands and agrees to all terms and conditions set forth in the Proposal Documents;
 - iii. if accepted by the Town, the proposal is guaranteed as written and will be implemented as stated;
 - iv. By submission of the proposal, each bidder and each person signing on

behalf of any bidder certifies, and in the case of a joint proposal each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each bidder is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the New York State Finance Law.¹

Section 2. **Quality and Samples**

- 2.1 All services, equipment, material and supplies proposed must conform to the description and specifications set forth in the in the Proposal Documents, or their reasonable equivalent.
- 2.2 References in the Proposal Documents to type, style, brand or trade name, and catalog are intended to be descriptive only and not restrictive.

Section 3. **Request for information or interpretation and/or clarification of the Proposal Documents**

- 3.1 Bidders shall have seven (7) business days prior to the proposal opening date to notify the Town Clerk in writing of any errors or defects in the Proposal Documents which would prevent bidder from providing a responsive proposal.
- 3.2 No interpretation of the Proposal Documents will be made to any bidder orally by any representative of the Town.
- 3.3 Any request for information or interpretation and/or clarification of the Proposal Documents must be addressed in writing to Diana Quast, Yorktown Town Clerk, 363 Underhill Avenue, Yorktown Height, NY 10598, and be submitted not later than five (5) business days prior to the date fixed for the opening of proposals.
- 3.4 Any written response to a request for information or interpretation and/or clarification of the Proposal Documents shall be issued by Town Clerk and will be incorporated into and made part of the Proposal Documents. The Town Clerk's decision shall be final and binding on all parties. Such Addenda will be mailed to all prospective bidders. The failure of any bidder to receive such Addenda will not relieve the bidder of any obligation to comply with the terms and conditions of the Addenda.

¹ List found at <http://ogs.ny.gov/about/regs/docs/ListofEntities.pdf>.

- 3.5 If any questions or responses require revision to the proposal solicitation as originally published, such revision will be by formal amendment only. If the solicitation includes a contact person for technical information, bidders are cautioned that any oral or written representation made by this or any other person that materially changes or appears to materially change any portion of the solicitation must not be relied upon unless subsequently ratified by a written amendment to this solicitation. For determination as to whether any such representation requires an amendment, contact the Town Clerk.

Section 4. **Non-Collusion**

- 4.1 Bidder shall certify that it has complied with all of the requirements stated in the non-collusive bidding certificate by signing the form included in the Proposal Documents. Failure by bidder to complete and sign the non-collusive bidding certificate will constitute grounds for rejection of the proposal.

Section 5. **Late Proposals**

- 5.1 All proposals received after the deadline date and time stated in the Instructions to Bidders will not be considered and will be returned to the bidder unopened. The bidder assumes the risk of any delay in the mail and the handling of the mail by the employees of the Town. Whether sent by mail or by means of personal delivery, the bidder assumes all responsibility for having the proposal delivered on time and to the place specified above.

Section 6. **Proposal Opening**

- 6.1 Sealed proposals will be publicly opened on the date and time specified in the Instructions to Bidders. Proposals may be read aloud to those persons present when practicable. Any bidder may request to review any submitted Proposal Form by arranging a mutually convenient time with the Town Clerk.
- 6.2 The prices stated in the Proposal Form are irrevocable until the Notice of Award is issued, unless the proposal is withdrawn only after the expiration of sixty (60) days from the proposal opening and only in writing received by the Town Clerk and in advance of the issuance of the Notice of Award.

Section 7. **Acceptance or Rejection**

- 7.1 A responsive proposal is one that complies with all material terms and conditions of the Proposal Documents. .
- 7.2 If the lowest price proposal is found non-responsive, a determination setting in detail and with specificity the reasons for such finding shall be issued by the Town Clerk. A copy of such determination shall be mailed to the non-responsive bidder no later than two (2) business days after the determination is made.
- 7.3 The Town reserves the sole right to waive any informality that is a matter of form rather than substance without prejudice to other bidders and what is in the best interests of the Town. The Town's decision shall be final and binding.
- 7.4 A responsible bidder is one which has the capability in all respects to perform fully the contract requirements and the business integrity to justify the award of public tax dollars
- 7.5 Bidder must be fully qualified to deliver the goods specified in the Proposal Documents. The Town reserves the right to request references from other parties for which bidder has provided similar goods.
- 7.6 The Town will consider the qualifications of all bidders. The Town may conduct such investigation as it deems necessary to assist in the evaluation of any proposal and establish the responsibility, qualification and financial ability of the bidders to comply with the Proposal Documents.
- 7.7 The Town reserves the right to reject the proposal of any bidder which does not pass any such evaluation to the Town's satisfaction.
- 7.8 In evaluating a bidder's responsibility the Town may consider the following factors:
 - i. financial resources;
 - ii. technical qualifications;
 - iii. experience;
 - iv. organization, material, equipment, facilities, and personnel resources and expertise (or the ability to obtain them) necessary to carry out the

work and to comply with required delivery or performance schedules, taking into consideration other business commitments;

- v. a satisfactory record of performance;
- vi. a satisfactory record of business integrity;
- vii. where the contract includes provisions for reimbursement of contractor costs, the existence of accounting and auditing procedures adequate to control property funds, or other assets, accurately delineate costs, and attribute them to their causes; and
- viii. compliance with requirements for the utilization of small, minority-owned, and women-owned businesses as subcontractors.

7.9 Failure of a bidder to provide relevant information specifically requested by the Town may be grounds for a determination of non-responsive and/or non-responsible.

Section 8. **Appeal of Determination of Non-Responsiveness or Non-Responsible**

8.1 Any determination that a proposal is non-responsive or a bidder is non-responsible may be appealed as set forth herein.

8.2 **Time Limit:** A bidder shall have five (5) business days from receipt of the determination of non-responsiveness or non-responsible to file an appeal with the Town Clerk. Receipt of notice by the bidder shall be deemed to be no later than five (5) business days from the date of mailing or upon delivery, if delivered. Filing of the appeal shall be accomplished by actual delivery of the appeal document to the Town Clerk. The bidder shall also send a copy of its appeal, for informational purposes, to the Town Attorney.

8.3 **Form and Content:** The appeal shall be in writing and shall briefly state all the facts or other basis upon which the bidder contests the finding of non-responsiveness or non-responsible. Supporting documentation, if any, shall be included.

8.4 **Stay of Award of Contract Pending.** Award of the contract shall be stayed pending the determination of the Town Clerk unless the Town Clerk makes a determination that proceeding with the award without delay is necessary to protect substantial Town's interests. Where such a determination is made, the bidder shall be advised

of this action in the determination of non-responsiveness or, if the stay is removed at any time after the bidder has been notified of determination of non-responsiveness or non-responsible, notification shall be provided to the bidder no later than two (2) business days after such determination is made. The Town Clerk shall consider the appeal, and may, in his or her sole discretion, meet with the bidder to discuss the merits of the appeal. The Town Clerk shall make a prompt determination with respect to the merits of the appeal, a copy of which shall be sent to the bidder. The Town Clerk's determination shall be final.

Section 9. **Award**

- 9.1 Town reserves the right to make awards within sixty (60) days after the date of the proposal opening, during which period proposals may not be withdrawn.
- 9.2 Awards will be made to the responsible and responsive bidder submitting the lowest proposal that fully complies with all the specifications stated in the proposal document.
- 9.3 The Town may issue a Notice of Award based on either Lowest Responsible Bid or Best Value, in accordance with the 2012 amendments to General Municipal Law § 103, as implemented by Yorktown Town Code Chapter 78 entitled *Procurement for Goods and Services*.
- 9.4 Town reserves the right to reject all proposals and to purchase any or all items on contracts awarded by agencies or departments of the State of New York or of the County of Westchester, if such items can be obtained on substantially the same terms, conditions, specifications, and at a lower price.

Section 10. **Notice of Award**

- 10.1 If the proposal is awarded by Town, a written Notice of Award will be issued by the Town Clerk to the successful bidder. Such Notice of Award will constitute a binding enforceable contract between the successful bidder and the Town of Yorktown.
- 10.2 Upon receipt of the Notice of Award the successful bidder will be required to submit to the Town Clerk a completed W-9 form in addition to any other information or documents required by the Town. Failure to supply a completed W-9 form or such other information or documents required by the Town will invalidate the proposal.

Section 11. **Delivery Point**

- 11.1 Deliveries shall be made in accordance with the specifications, and shall be made Monday through Friday from 8 a.m. to 2 p.m. unless otherwise stated in the Specifications, at the location set forth in the Specifications. F.O.B., except on national, state or local holidays when Town buildings are closed. Bidder shall be responsible to verify that the appropriate Town building for delivery is open prior to delivering items. All proposal items shall be unloaded and placed within the particular Town building, at points of delivery, and in quantities, as directed by the Town. Any costs incurred by the Town or bidder due to the failure of bidder to comply with this requirement will be the responsibility of bidder. Bidder should be prepared to furnish proof of delivery, if requested by Town.
- 11.2 If bidder is shipping proposal items to Town using a third-party carrier (US Postal Service, UPS, FedEx), there shall be no additional shipping charge to the Town.
- 11.3 Delivery will not be complete until the goods are inspected and accepted by the Town.

Section 12. **Date of Delivery**

- 12.1 Delivery of all items under this proposal shall be made not later than the date specified in the proposal document. If bidder cannot meet the delivery date specified in the proposal document, bidder shall state on the proposal form the proposed date of delivery and such date will be considered when determining responsiveness in awarding the proposal.

Section 13. **Damages**

- 13.1 Bidder shall be fully responsible for shipping and delivery of proposal items in an undamaged condition. Bidder shall be fully responsible for performance of work in a satisfactory manner with satisfactory results in the discretion of the Town. Town will not consider the carrier responsible for damaged or delayed deliveries. Any proposal item damaged or broken when delivered to Town shall be replaced immediately by bidder at no cost to the Town.

Section 14. **Warranty/Guarantee**

- 14.1 By submitting its proposal, bidder is deemed to warrant and guarantee as follows:
- 14.2 All goods furnished in by the bidder are guaranteed against defects in workmanship and/or material for a period of one (1) year from the date of delivery

to Town.

- 14.3 Any goods furnished must be standard, new, latest model of the regular stock product, as required by the specifications, with parts regularly used for the type of equipment offered.
- 14.4 No attachment or part will be substituted or applied contrary to manufacturer's recommended and standard practice. All regularly manufactured stock electrical items must bear the label of the Underwriters Laboratories, Inc. It is the responsibility of bidder to advise Town in the Proposal Form if electrical equipment to be furnished hereunder does not have a U.L. label. Any equipment provided under the proposal which is or becomes defective during the guarantee period shall be replaced or redone by bidder, free of charge. All replacements shall carry the same guarantee as the original equipment. Bidder shall make any such replacement promptly upon receiving written notice from Town.

Section 15. **Purchase of Additional Quantities of Proposal Items**

- 15.1 Unless Town requests bidder to supply used goods or materials, Town may purchase additional quantities of the proposal items from bidder at any time during the contract period, for the same price and under the same terms and conditions as set in the Proposal Form.

Section 16. **Breach of Contract/Termination**

- 16.1 If bidder fails to deliver as ordered, or within the time specified, or within reasonable time as interpreted by Town, or fails to make replacement of rejected or defective goods, whether so requested immediately or as directed by Town, that shall constitute a breach of the contract, and Town may purchase goods from other sources to take the place of the goods rejected found defective or not delivered. Town reserves the right to authorize immediate purchase (within 24 hours) from other sources against rejections on any contract when necessary. On all such purchases bidder agrees to reimburse Town promptly for excess costs occasioned by such purchases. Should the cost be less, bidder shall have no claim to the difference. Such purchases may be deducted from the outstanding invoices or claims, or charged back against future invoices. Without limiting the foregoing, Town reserves the right to terminate the Contract upon breach upon within ten (10) days of notice provided to bidder.

Section 17. **Assignment Prohibited**

- 17.1 Bidder shall not assign, transfer, convey, sublet, subcontract or otherwise dispose of the contract or its right, title, or interest therein, or its power to execute such contract, to any other person, or entity without the prior written consent of Town.

Section 18. **Special Requirements**

- 18.1 Special requirements for any proposal may supersede and/or be added to any provision contained in the instructions noted above. These instructions are to be considered an integral part of all proposals.

PART THREE

GENERAL SPECIFICATIONS

Lake Mohegan Aquatic Pesticide Treatments Specifications

Dates of Work: Approximately May 21, 2018 – September 3, 2018

Summary:

Mohegan Lake Improvement District is seeking a qualified company to apply chemicals to Lake Mohegan to control excessive algae growth, particularly harmful algal blooms (blue-green algae, a/k/a cyanobacteria). Bidders responding to this RFP must be available to perform up to 8 applications at no less than two week intervals commencing with the appearance of algae growth in May 2018. Please provide pricing per application broken out by materials and services and including all labor and equipment needed to treat Lake Mohegan with a spray application from a boat. The lake is approximately one mile long and 102 acres. Each treatment will be to the top 6 feet of one half of the lake, or approximately 51 acres (306 acre feet). Bidder must have appropriate licenses to apply aquatic pesticides, and specifically Copper Sulfate and Cutrine Ultra, to water bodies in New York State, be insured for liability, and if selected, will additionally insure the Town of Yorktown and Mohegan Lake Improvement District, and will carry NYS statutory worker's compensation insurance covering employees who will be performing services under the proposal. The bidder selected will be required to take an open water sample prior to each application, and furnish a report on lake conditions, phytoplankton species, and water quality data as specified below.

Background:

Mohegan Lake is a 103 acre lake in northern Westchester County, New York, in the Town of Yorktown. The area surrounding the lake is a combination of wooded areas and populated residential areas. For a number of years, Mohegan Lake has been subject to blue green algae blooms that have interfered with seasonal recreational uses of the lake. The past six summer seasons (2012 - 2017), the Westchester County Health Department, in consultation with the State Department of Health, closed Mohegan Lake beaches to swimming due to the presence of heavy concentrations of blue green algae (cyanobacteria), and the toxins produced by it (including Microcystin). In the first three years of County Health Department monitoring of cyanobacteria, the beaches were closed in mid-July and remained closed for

the balance of the summer season. Since 2015 the lake has been treated with copper sulfate with mixed results. Beaches were still closed for periods of time during the summer, but did not remain closed for the entire beach season as happened previously. Copper sulfate did make a difference, but in the doses and frequency of treatments permitted by DEC, it was not effective enough to avoid beach closures and keep the lake swimmable for the entire summer season. While numerous lake management efforts have been under way for a number of years (including aeration, cleaning of catch basins in storm drains, weed harvesting), these have not been enough to address the negative effects caused by the excessive amount of phosphorous in the lake. In the short term, to maintain safe recreational use of the lake in the summer, while long-term lake management efforts continue, we have decided to treat the lake with Cutrine Ultra to control blue green algae blooms, while maintaining the option of switching to copper sulfate treatments if conditions warrant. We are obtaining separately all necessary DEC and Town of Yorktown permits to authorize both of these treatments.

Scope:

Work involves application of Cutrine Ultra or Copper Sulfate in Lake Mohegan as an aqueous solution by a licensed contractor approved for aqueous pesticide applications in New York State. A maximum of one-half of the lake (approximately 51 acres) would be treated per application to minimize the effect on the fish and other lake fauna. The treatments would be sprayed into the water from a boat. There will be no application within 100 feet of the state designated wetlands at the south and north ends of the lake, or within 100 feet of the outflow area in the north end.

Citrine Ultra (Pesticide EPA Registration Number 8959-53) has an active ingredient in a 27.8% concentration of Copper Ethanolamine Complex, Mixed. The application rate for Cutrine Ultra would be .6 gallons/acre foot with a maximum treated depth of the top 6 feet. The dosage rate for Cutrine Ultra is designed to ensure a concentration of no more than .2 ppm in the upper 6 feet of the lake. Each treatment would cover 51 surface acres and 306 acre feet. This would involve a dosing in a single application of 183.6 gallons of Cutrine Ultra, and a total annual dosage if all 8 treatments are performed of 1,468.8 gallons.

Old Bridge Chemicals, Inc. Copper Sulfate fine crystals (Pesticide EPA Registration Number 46923-4) active ingredient is Copper Sulfate Pentahydrate in 99% concentration. It will be dissolved in water for the treatments. The application rate for Copper Sulfate would be .815 pounds/acre foot with a maximum treated depth of the top 6 feet. The dosage rate for Copper Sulfate is designed to ensure a concentration of no more than .3 ppm in the upper 6 feet of the lake. This would involve a dosing in a single application of 248 pounds of Copper Sulfate, and a total annual dosage if all 8 treatments are performed of 1,984 pounds.

It is anticipated that treatments would begin on or after May 21st, and be repeated at no less than two week intervals until September 3rd, with a maximum of 8 treatments. Time is of the essence for performance of the work. The exact number of Cutrine Ultra treatments, if any, will be at the sole discretion of the Mohegan Lake Improvement District based on lake conditions. The exact number of Copper Sulfate treatments, if any, will be at the sole discretion of the Mohegan Lake Improvement District based on lake conditions. In making these determinations, the District will consult with the bidder selected throughout the treatment period.

In Part One of this Proposal, the Bidder must specify the all-inclusive per treatment price for performance of each requested Cutrine Ultra treatment, as well as the all-inclusive price for performance of each requested Copper Sulfate treatment, including but not limited to all associated notifications, sampling, lab work, and reporting.

The bidder selected is expected to provide all equipment and supplies necessary to perform the lake treatments, including but not limited to the boat, chemicals, and application equipment. The bidder selected will provide the necessary license information for the NYS DEC permit. The bidder selected will also provide any reporting required by NYS DEC in respect to the treatments, and will provide the proper and timely notification to NYS DEC in advance of each treatment, and simultaneously notify the Mohegan Lake Improvement District. On the date of each lake treatment, the selected bidder will make observations of lake conditions, including aquatic vegetation species, algae species, and visual appearance of the water. A secchi disk reading will be taken as a measure of water clarity, as well as measurement of alkalinity, dissolved oxygen, water temperature, ph, and microcystin toxin levels. An open water 200ml sample will be taken on the date of each lake treatment, and used to perform a microscopic examination/count of the various types of Bacillariophyta, Chrysophyta, Chlorophyta, Cyanophyta, Protozoa, Euglenophyta, and Pyrrhophyta present in the sample.. Subsequent to the treatment, the selected bidder will provide a report on water quality, including all of the observations and test results described above. The selected bidder will provide the form of notification to be distributed in advance of each treatment. The Mohegan Lake Improvement District will apply for and provide the necessary state and local permits, will designate an area to access the lake, and will provide notification to lake residents and downstream owners of the dates of treatment and of the applicable use restrictions after each treatment. The pricing proposed should include all of the above mentioned reporting, sampling and lab analysis performed for each Cutrine Ultra and Copper Sulfate treatment. The bidder selected must provide signed invoices for each treatment, specifying the work completed, breaking down the costs into labor and materials, and attaching the required reporting.

NON-COLLUSIVE BIDDING CERTIFICATION

This Non-Collusive Bidding Certificate is made pursuant to Section 103-d of the General Municipal Law of the State of New York.

By submission of this proposal, Bidder and each person signing on behalf of Bidder certifies, and in the case of a joint proposal each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief:

The prices in this proposal have been arrived at independently without collusion, consultation, communication, or agreement for the purpose of restricting competition, as to any matter relating to such prices with any other Bidder or with any competitor;

Unless otherwise required by law, the prices which have been quoted in this proposal have not been knowingly disclosed by Bidder and will not knowingly be disclosed by Bidder prior to opening, directly or indirectly, to any other bidder or to any competitor; and

No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a proposal for the purpose of restricting competition.

A proposal shall not be considered for award nor shall any award be made where (1) (2) and (3) above, have not been complied with; provided, however, that if in any case Bidder cannot make the foregoing certification, Bidder shall so state and shall furnish with the proposal a signed statement which sets forth in detail the reasons therefore. Where (1) (2) and (3) above have not been complied with, the proposal shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the political subdivision, public department, agency or official thereof to which the proposal is made, or his designee, determines that such disclosure was not made for the purpose of restricting competition.
