

I. PURPOSE

The Town Board of the Town of Yorktown is seeking to obtain professional consulting services from qualified planning firms to provide traffic and transportation planning services. Yorktown is dedicated to striking a balance between development and the provision of necessary infrastructure. To that end, the Town desires that its governmental responsibilities and decisions surrounding land use are imbued with professional knowledge and advice of the highest order, so that Yorktown's built environment remain high quality, safe and attractive place for Yorktown's residents.

II. BACKGROUND

Characteristics of the Town

The Town of Yorktown encompasses approximately 40 square miles in northwestern Westchester County and has approximately 37,000 residents. The Town is rectangular in shape, is about ten miles north to south and is four miles east to west. It is bordered by the Town of Cortlandt to the west, the Town of New Castle to the south, the Town of Somers to the east, and the Towns of Putnam Valley and Carmel in Putnam County to the north. In the southern portion of town, Yorktown is physically split by the New Croton Reservoir, which creates a divide across its breadth along the east-west direction. Approximately 85% of the Town's land area is watershed to this important reservoir. Yorktown also boasts large areas of open space, natural features and biodiversity.

III. SCOPE OF SERVICES

Traffic and transportation services will be administered by the Planning Department or Engineering Department and will be on an as needed, on-call basis. The services are organized into groupings or tasks, and prospective consultants may offer proposals for one or more of these tasks, as the consultant sees fit, with an individualized cost schedule for each task selected. The Town Board will select one or more consultants, as it deems appropriate, to effect the most efficient execution and fulfillment of the required services. Successful consultants must gain thorough understanding of the Town's laws and regulations, its policies and procedures, and the traffic and transportation issues and concerns facing it.

Task I

Development Application Review

The consultant will provide technical review and evaluation of development and land use applications. Consultant will be required to review and evaluate applicant generated traffic analyses for completeness and adequacy. This will include but may not be limited to, evaluation of the study area intersections likely to be affected by the proposed development; evaluation and verification of collected data; evaluation and verification of traffic forecasts; review and evaluation of capacity analyses; review and evaluation of proposed mitigation measures. The Consultant will also be expected to suggest modifications to the measures proposed by the development application or suggest alternative measures, designs, layouts, profiles, or alignments, if warranted and appropriate. Responsibilities under this task shall also include attendance at Town Board or Planning Board meetings at which individual traffic reports and mitigation plans may be discussed, as required. The consultant shall participate in department level meetings, as required, involving traffic reviews.

Task II

Development Application Assessment

The consultant will provide technical review and evaluation as described in Task I above, except that the consultant will perform the necessary data collection, analysis and reporting of traffic issues related to the development application. The consultant will evaluate and recommend appropriate mitigation measures, including designs, layouts, profiles, and alignments. Responsibilities under this task shall also include attendance at Town Board or Planning Board meetings at which individual traffic reports and mitigation plans may be discussed, as required. The consultant shall participate in department level meetings, as required, involving traffic reviews.

Task III

Transportation Planning

The consultant will provide traffic engineering and transportation planning services for projects initiated and/or sponsored by the Town that involve public road improvement projects, analysis of public intersections and/or road alignments, evaluation of area transportation needs including transit, pedestrian,

bicycle, and automobile systems. These projects may involve data collection and analysis, conceptual transportation design, construction documentation and permitting. Responsibilities under this task shall also include attendance at Town Board or Planning Board meetings at which individual traffic reports and mitigation plans may be discussed, as required. The consultant shall participate in department level meetings, as required, involving traffic reviews.

- Provide the name and telephone number of the project contact person.

B. Interviews

Preselected candidates will be required to be personally interviewed by the Town Board.

V. LIMITATIONS

The Town Board reserves the right to accept or not accept any or all proposals received in response to this RFP, or to cancel in whole or in part this RFP, if determined by the Town of Yorktown Town Board to be in the Town's best interest. Further, the Board reserves the right to award any portion of the work described herein, to any one or multiple consultants as it deems appropriate. The issuance of this RFP does not bind the Town of Yorktown to award any contract, or to pay any costs incurred by prospective consultants in the preparation of proposals responding to this RFP.

VI. GENERAL INSTRUCTIONS:

- A. Each Proposal must provide complete information and documentation as described in this RFP. The Town will not accept any Proposal sent by telefacsimile transmission or email. Ten (10) copies of the Proposal, with a signed and notarized Non-Collusive Bidding Certificate, must be submitted in a sealed envelope labeled “**TRAFFIC PLANNING SERVICES RFP**” by 11:00 a.m. on February 12, 2021 to the following address:

Town of Yorktown
Attn: Diana Quast, Town Clerk
363 Underhill Avenue
Yorktown, New York 10598

- B. At the discretion of the Town Board, any Proposal received after the deadline date and time stated above will not be considered and will be returned to Respondent unopened. The Town may waive any minor irregularities in any Proposal when such waiver would be in the best interests of the Town. No Proposal may be withdrawn within ninety (90) days of the submission date.
- C. Respondent assumes the risk of any delay in the mail and the handling of the mail by the employees of the Town. Whether sent by mail or by means of personal delivery, Respondent assumes all responsibility for having the Proposal delivered on time and to the place specified above.
- D. All Proposals will be presented to the Town Board. The Town Board may conduct interviews of Proposers. The Town Board will select the Proposal that is deemed to be in the best interests and the best value of the Town and will award the contract accordingly.
- E. The Town reserves the right to waive any technical non-conformance with the requirements of this RFP.
- F. The Town will not reimburse any expenses in connection with preparation of Proposals including and attendance at interviews.
- G. The Town reserves the right to reject any and all Proposals, to request additional information or clarification from any and all Proposers.

- H. Questions or comments should be directed in writing to Town Clerk Diana Quast.
- I. The Town is tax exempt and the Town will provide upon request the appropriate tax exempt certificate.
- J. The Contracting Vendor will be required to implement any and all federal, state, county and local laws, statutes, rules, regulations or ordinances as they apply to the scope of work as set forth in the RFP and the ensuing contract if awarded. If there is a change or amendment to any applicable federal, state, county or local laws, statutes, rules, regulations or ordinances after the contract is awarded, the Contracting Vendor will not be entitled in any additional compensation.
- K. Any submitted Proposal is not a competitive bid pursuant to New York State General Municipal Law Section 103, *et seq.* Submission of a Proposal shall not create a contractual obligation with the Town for the scope of services described in this RFP. This RFP does not commit the Town to issue a contract to any Proposer.
- L. No interpretation of the RFP will be made to any person orally by any representative of the Town. Any request for information or interpretation and/or clarification (“RFI”) of the RFP must be addressed in writing to Town Clerk Diana L. Quast at least seven (7) days before the submission date.
- M. Any written response to an RFI shall be issued by the Town Clerk and will be incorporated into and made part of the RFP and will be made available in the same manner and method as the RFP. The Town’s decision shall be final and binding. The failure of Respondent to receive such Addenda will not relieve Respondent of any obligation to submit a Proposal that is compliant with the RFP. Where practicable, any written response to an RFI will be posted on the Town’s Webpage to allow all interested vendors equal access to such information.
- N. Respondent’s failure to request an RFI or to point out any inconsistency therein will preclude such Respondent from thereafter claiming any ambiguity, inconsistency, or error which should have been discovered by a reasonably prudent vendor from asserting any claim for damages arising directly or indirectly therefrom.

-
- O. Respondent, by signing the Proposal and the Non-Collusive Bidding Certificate, does hereby warrant and represent that the contract has not been solicited, secured or prepared directly or indirectly, in a manner contrary to the laws of the State of New York, the County of Westchester, and the Town of Yorktown. Further, such laws have not been violated and shall not be violated as they relate to the procurement or the performance of the contract by any conduct, including the paying or the giving of any fee, commission, compensation, gift, gratuity or consideration of any kind, directly or indirectly, to any Town employee, officer or official.
- P. The New York State Freedom of Information Law mandates public access to government records. However, any Proposal submitted in response to this RFP may contain technical, financial background or other data, public disclosure of which could cause substantial injury to Respondent's competitive position or constitute a trade secret. Respondent who has a good faith belief that information submitted in the Proposal is protected from disclosure under the New York Freedom of Information Law shall clearly identify the pages of the Proposal containing such information by typing in bold face on the top of each page "Respondent believes that this information is protected from disclosure under the New York State Freedom of Information Law". The Town assumes no liability for disclosure of information so identified, provided that the Town has made a good faith legal determination that the information is not protected from disclosure under applicable law or where disclosure is required to comply with an order or judgment of a court of competent jurisdiction. The contents of the Proposal which is accepted by the Town, except portions "Protected from Disclosure," may become part of any agreement resulting from this RFP.
- Q. The Town reserves the unqualified right, in its sole and absolute discretion, to reject all Proposals, to undertake discussions and modifications with one or more of the Respondents and to proceed with a Proposal or modified Proposal, if any, which in its judgement will under all circumstances serve the public interest.

VII. REQUIRED CONTENTS OF PROPOSALS

- A. Each Proposal must be submitted on company letterhead or standard proposal form and must be signed by a principal member in order to be accepted. The signatory's position (e.g. President, Managing Member) must be clearly stated.
- B. All Proposals, with the executed and notarized non-collusive bidding certificate, must be signed by a duly authorized representative of Proposer.

- C. Respondent must demonstrate sufficient financial resources and professional experience necessary to carry out its Proposal.
- D. The Town will use the following criteria, in no order of importance, as a guideline to review each Proposal, if appropriate, to select a Contracting Vendor:
- Contents of each Proposal as described above;
 - Respondent's demonstrated experience to carry out its Proposal;
 - Respondent's financial strength;
 - a satisfactory record of performance and business integrity, including compliance with prevailing wage laws;
 - Potential financial benefit to the Town based on a cost/benefit analysis of the Proposal; and
 - The level of detail and credibility of the Proposal, including evaluation the key personnel who will be carrying out the scope of work.
- B. The Proposal's level of detail will be critical for the Town to determine not only the seriousness of Respondent, but also whether the Proposal is viable. Respondent should identify a principal member who will be responsible to ensure that Respondent fully complies with the terms and conditions of the contract.
- C. The Town will consider the qualifications of Respondent and may conduct such investigation as it deems necessary to assist in the evaluation of any Proposal. The Town reserves the right to reject any Proposal if the investigation demonstrates, to the Town's sole discretion that Respondent is not properly qualified to carry out the obligations of the RFP.
- D. Respondent may be required, at the sole discretion of the Town Board, to make an oral presentation to the Town Board to clarify or elaborate on its Proposal.
- E. No Proposal will be accepted if Respondent is in arrears upon any debt or in default of any obligation owed to the Town or has failed to satisfactorily perform any prior agreement with the Town.
- F. The Contracting Vendor shall not assign, transfer, convey or otherwise dispose of the contract or any part of it or any monies due and payable under the contract, without prior written approval of the Town. If such approvals are granted by the Town, they shall in no way relieve the Contracting Vendor or from any obligations under the terms of the contract.

- G. The Contracting Vendor shall provide at its own cost and expense the insurance as set forth in the attached Request for Proposals from insurance companies licensed in the State of New York, carrying a Best's financial rating of "A" or better, which insurance shall be evidenced by certificates and/or policies as determined by the Town.

Each certificate or policy shall require that thirty (30) days prior to cancellation or material change in the policies, notice thereof shall be given to the Town Clerk by registered mail, return receipt requested, for all of the following stated insurance policies. All such notices shall name the Contracting Vendor and identify the contract number or description. All policies and certificates of insurance shall be approved by the Town prior to the inception of any work.

If any of the insurance requirements are not complied with at their renewal dates, payments to Contracting Vendor will be withheld until those requirements have been met, or at the option of the Town, the Town may pay the Renewal Premium and withhold such payments from any monies due the Contracting Vendor.

If at any time any of the foregoing policies shall be or become unsatisfactory to the Town, as to form or substance, or if a company issuing any such policy shall be or become unsatisfactory to the Town, Contracting Vendor shall upon notice to that effect from the Town, promptly obtain a new policy, submit the same to the Town for approval and submit a certificate thereof as herein above provided. Upon failure of the Contracting Vendor to furnish, deliver and maintain such insurance as above provided, the contract, at the election of the Town, may be forthwith declared suspended, discontinued or terminated. Failure of Contracting Vendor to secure and/or maintain or the taking out and/or maintenance of any required insurance, shall not relieve Contracting Vendor from any liability under the contract, nor shall the insurance requirements be construed to conflict with or otherwise limit the obligations of Contracting Vendor concerning indemnification.

In the event that claims in excess of the insured amounts provided herein, are filed by reason of any operations under the contract, the amount of excess of such claims or any portion thereof, may be withheld from payment due or to become due Contracting Vendor until such time as Contracting Vendor shall furnish such additional security covering such claims as may be determined by the Town.
