**Instructions for Completing Part 1**

**Part 1 is to be completed by the applicant or project sponsor.** Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either "Yes" or "No". If the answer to the initial question is "Yes", complete the sub-questions that follow. If the answer to the initial question is "No", proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the applicant or project sponsor to verify that the information contained in Part 1 is accurate and complete.

**A. Project and Applicant/Sponsor Information.**

Name of Action or Project: Proposed Planned Design District Overlay Zones		
Project Location (describe, and attach a general location map): Areas as designated by the Town Board in the Town of Yorktown		
Brief Description of Proposed Action (include purpose or need): The Town Board has determined that there is a need throughout the Town of Yorktown to encourage and establish further economic development. To stimulate that growth and provide for revitalization, the Town requires the use of smart-growth techniques capable of creating smarter, less wasteful, and more economically efficient development patterns. Specifically, the Town needs flexibility in land uses which bolster economic development by providing not only a diverse array of commercial businesses, but mixed-use residential and commercial parcels to both provide abundant job opportunities and contribute to the local tax base.  The Proposed Action is to create a new Article XXXI in the Town of Yorktown Town Code entitled Planned Design District Overlay Zones giving the Town Board the authority to designate areas within the Town of Yorktown as Planned Design District Overlay Zones. This article would allow the Town Board to adopt subsequent subsections to regulate the location, design, occupancy, and use of the structures and the use of land within each of the designated districts.
