The Best Value option has been adopted by the Town of Yorktown, and is codified in Chapter 68 of the Yorktown Town Code. Work shall not commence until the insurance certificates have been accepted by the Town.

IX. Damages

C. Cancellation of insurance or failure to renew insurance, if such occurs prior to the commencement of work or during the performance of work under this contract, shall constitute a material breach of this contract if not cured as described in paragraph D below. If Contractor is notified by its insurer that Contractor's general liability policy has been cancelled or will be cancelled any time within the next thirty (30) days for any reason including but not limited to nonpayment of premiums, Contractor shall immediately all cease work under this Contract, and shall give the Town of Yorktown same day or next business day written notice of such cancellation or threatened cancellation by personal delivery of such notice to the Town Clerk. A copy of such written notice shall also be sent simultaneously to the Town Attorney by personal delivery, email or facsimile transmission. Failure to provide such notice as provided herein shall constitute a material breach of the contract and in such event the Town of Yorktown may in its sole discretion withhold any payment otherwise due under the contract. The Town of Yorktown reserves the right, as a condition of final payment, to require Contractor to provide proof that Contractor maintained the required insurance throughout the performance of the work to be performed under this Contract.

K. All carriers listed in the certificates of insurance shall be A.M. Best Rated A VII or better and be licensed in the State of New York.

L. Each policy of insurance shall contain clauses to the effect that such insurance (except professional liability insurance, if any) shall be primary without right of contribution of any other insurance carried by or on behalf of the Town with respect to the Town's interests and that such insurance shall not be cancelled, materially changed, or not renewed for any reason, including non-payment of premium, without ten (10) days prior written notice to the Town. The Town shall have the option, in its sole discretion, to pay any necessary premiums and charge the cost back to Contractor.

M. Notwithstanding anything to the contrary in this Contract, Contractor irrevocably waives all claims against the Town for all losses, damages, claims, or expenses resulting from risks that are commercially insurable, but Contractor's provision of insurance coverage shall not in any way limit Contractor's liability under this Contract.

N. Failure to provide insurance, lack of insurance or inadequate limits of insurance does not limit in any way Contractor's obligations to reimburse injured parties.

O. Any accident occurring on Town property shall be reported to the office of the Town Supervisor as soon as possible and not later than twenty-four (24) hours from the time of such accident. A detailed written report must be submitted to the Town of Yorktown as soon thereafter as possible and not later than three (3) days after the date of such accident.

damages, settlements, costs, charges, professional fees or other expenses or liabilities of every kind and character arising out of or relating to any and all claims, liens, demands, obligations, actions, proceedings or causes of action of every kind and character in connection with or arising directly or indirectly out of this Contract and/or the performance hereof; without limiting the generality of the foregoing, any and all such claims, etc., relating to personal injury, death, damage to property, defects in materials or workmanship, actual or alleged infringement of any patent, trademark, copyright (or application for any thereof or of any other tangible or intangible personal or property right, or any actual or alleged violation of any applicable statute, ordinance, administrative order, rule or regulation, decree of any court, shall be included in the indemnity hereunder. The Contractor further agrees to investigate, handle, respond to, provide defense for and defend any such claims, etc., at Contractor's sole expense and agreed to bear all other costs and expenses related thereto, even if it (claims, etc.), is groundless, false or fraudulent. In any case in which such indemnification would violate Section 5-322.1 of the New York General Obligations Law, or any other applicable legal prohibition, the foregoing provisions concerning indemnification shall not be construed to indemnify the Town for damage arising out of bodily injury to persons or damage to property caused by or resulting from the sole negligence of the town, or its employees. This paragraph shall survive any termination or completion of performance of this Contract.

9. The Contractor shall, at its own expense, comply with all the provisions of all applicable federal, State, County, and municipal laws, rules, regulations and requirements applicable to the Contractor as an employer of labor, the performance of the work, or otherwise.
10. In the event of a material breach of this Contract by the Contractor, the Town may terminate this Contract for cause upon 5 days' notice in writing, which shall include, but is not limited to, any of the following: (1) failure by the Contractor to provide properly skilled workers or proper materials or to complete the work in accordance with the applicable schedule; (b) failure by the Contractor to pay for materials or labor in accordance with applicable agreements or requirements; (c) non-compliance with laws, rules and regulations or directions of the Town applicable to the performance of the work; (d) failure by the Contractor to maintain any required insurance or bond; (e) failure to defend and indemnify the Town in accordance with this Contract; or (f) failure by the Contractor to cure any breach of this Contract not listed above within the time required. Without limiting any other rights or remedies of the Town, in the event of termination for cause, the Town may take possession of the site and all tools, equipment, materials, and machinery thereon, and complete the work by such means and methods as it may deem appropriate.
11. The Contractor represents and warrants that it has not employed or retained any person, other than a bona fide full time salaried employee working solely for the Contractor to solicit or secure this Contract, and that it has not paid for or agreed to pay any person (other than payments of fixed salary to a bona fide full-time, salaried employee working solely for the Contractor) any fee, commission, percentage, gift or other consideration, contingent upon or resulting from the award or making of this Contract. For the breach or violation of this provision, without limiting any other rights or remedies to which the Town may be entitled, or any civil or criminal penalty to which any violator may be liable, the Town shall have the right, in its discretion, to terminate this Contract without liability, and to deduct from the contract price, or otherwise to recover, the full amount of such fee, commission, percentage, gift or consideration.
12. No waiver of any breach of this contract shall in any way affect any other term or condition of

13. All plans and other like records compiled by the Contractor in completing the work under this Contract shall become the property of the Town. The Contractor may retain copies of each such plan or record for its own use.
14. If the work includes any article or equipment for which there is a manufacturer's warranty, the Contractor shall ensure that the Town will receive the warranty documentation, and will receive the benefit of the warranty by transfer or otherwise.
15. The Contractor agrees to make no claim for damages for delay in the performance of this Contract occasioned by any act or omission to act of the Town, or any of its boards, officers, employees or representatives, and agrees that any such claim shall be fully compensated for by an extension of time to complete performance of the work as provided herein.
16. Nothing in this Contract, express or implied, is intended to confer upon any third party any right or remedy under or by virtue of this Contract.
17. This Contract shall constitute the entire Contract between the parties regarding the subject matter hereof, shall supersede all prior understandings, whether oral or written, and shall not be amended or modified, except by a written document signed by both parties hereto stating the intent to amend or modify this Contract.
