The Best Value option has been adopted by the Town of Yorktown, and is codified in Chapter 68 of the Yorktown Town Code. Work shall not commence until the insurance certificates have been accepted by the Town.

Town reserves the right to authorize immediate purchase (within 24 hours) from other sources against rejections on any contract when necessary. On all such purchases Bidder agrees to reimburse Town promptly for excess costs occasioned by such purchases. Should the cost be less, Bidder shall have no claim to the difference. Such purchases may be deducted from the outstanding invoices or claims, or charged back against future invoices.

4. Payment will be made by the Town to the Successful Bidder (“Contractor”) after the completion of the work (or completion of work in stages, if Specifications so require) and the acceptance of the work by the Town, within sixty (60) days after submission by Contractor of an invoice or voucher, unless a different payment schedule is required by Section 106-b of the General Municipal Law. B. The Town of Yorktown and its assigns, officers, employees, representatives and agents shall be named as an "Additional Insured" on the policy and the Certificate of Insurance shall show this applies to the General Liability coverage on the certificate.

C. Cancellation of insurance or failure to renew insurance, if such occurs prior to the commencement of work or during the performance of work under this contract, shall constitute a material breach of this contract if not cured as described in paragraph D below. If Contractor is notified by its insurer that Contractor's general liability policy has been cancelled or will be cancelled any time within the next thirty (30) days for any reason including but not limited to nonpayment of premiums, Contractor shall immediately all cease work under this Contract, and shall give the Town of Yorktown same day or next business day written notice of such cancellation or threatened cancellation by personal delivery of such notice to the Town Clerk. A copy of such written notice shall also be sent simultaneously to the Town Attorney by personal delivery, email or facsimile transmission. Failure to provide such notice as provided herein shall constitute a material breach of the contract and in such event the Town of Yorktown may in its sole discretion withhold any payment otherwise due under the contract. The Town of Yorktown reserves the right, as a condition of final payment, to require Contractor to provide proof that Contractor maintained the required insurance throughout the performance of the work to be performed under this Contract.

K. All carriers listed in the certificates of insurance shall be A.M. Best Rated A VII or better and be licensed in the State of New York.

L. Each policy of insurance shall contain clauses to the effect that such insurance (except professional liability insurance, if any) shall be primary without right of contribution of any other insurance carried by or on behalf of the Town with respect to the Town's interests and that such insurance shall not be cancelled, materially changed, or not renewed for any reason, including non-payment of premium, without ten (10) days prior written notice to the Town. The Town shall have the option, in its sole discretion, to pay any necessary premiums and charge the cost back to Contractor.

M. Notwithstanding anything to the contrary in this Contract, Contractor irrevocably waives all claims against the Town for all losses, damages, claims, or expenses resulting from risks that are commercially insurable, but Contractor's provision of insurance coverage shall not in any way limit Contractor's liability under this Contract.

N. Failure to provide insurance, lack of insurance or inadequate limits of insurance does not limit in any way Contractor's obligations to reimburse injured parties.

O. Any accident occurring on Town property shall be reported to the office of the Town Supervisor as soon as possible and not later than twenty-four (24) hours from the time of such accident. A detailed written report must be submitted to the Town of Yorktown as soon thereafter as possible and not later than three (3) days after the date of such accident.

If no specific written direction is provided, work shall begin within 10 days after award of bid, provided Town has received and accepted insurance certificates from Contractor. All of the work shall be completed as soon as practicable thereafter, but, in no event, later than as required in the Bid Specifications. The time for completion of the work may be extended, in the discretion of the Town, upon the request of the Contractor, for good cause shown, with the grant of any extension by the Town to be in writing. **This Contract is subject to an Option to Extend for two (2) additional one-year term(s) at the same price as the Contract price herein. See Option to Extend.** The Contractor will meet with representatives of the Town, as the Town may, from time to time, direct. The Contractor shall promptly inform the Town in writing of any cause for delay in the performance of the Contractor's obligations under this Contract.

7. The Contractor shall prosecute the work without undue interference with the operations of the Town or the comfort, repose, health, safety and welfare of the inhabitants of the Town. Unless otherwise authorized by the Town in writing, the Contractor's use or operation of noisy equipment in performing the work shall be limited to the hours between 7 a.m. and 3 p.m.

All work shall be performed during regular business days and hours of operation of the Town, except for responses to emergency calls, and unless otherwise directed by the Town.

8. The contractor shall exercise proper precautions and safety measures in performing the work, which precautions and safety measures shall be in accordance with all applicable laws, rules and regulations. The contractor shall be responsible for the protection of persons and/or property, and shall be responsible for all injuries and/or damages to all persons and/or property, either on or off the site, which may occur in connection with the prosecution of the work hereunder. The Contractor shall procure and pay for all permits and licenses necessary for the performance of the work hereunder.
9.
