Q & A No. 1

Q: On the price page are we correct that the prices are for 1 brochure and not for a total number of 15,200 or 30,400?

A: We are looking for the total price of 15,200 copies of a 28-page brochure, including the covers. We will utilize this price twice in a calendar year: once for our Spring/Summer Brochure and again for our Fall/Winter brochure.
