Hello,

I am writing to ask the Board to revise the existing draft of the Unregistered Self-Propelled and Limited-Use Off-Road Vehicle law.

The change to Yorktown's Vehicle laws is poorly written because the town's proposed change puts ATVs and bicycles in the same classes of vehicles – Unregistered self-propelled vehicles and Limited-Use Off-Road Vehicles.  
**(Section § 275-27. Definitions)**

The state already has defined ATVs/off-road vehicles as separate and distinct from e-bicycles and trail bicycles.

- **NYS Bicycle Definition**  
(<https://www.nysenate.gov/legislation/laws/VAT/102>)
- **NYS Electric Bicycle Definition**  
(<https://www.nysenate.gov/legislation/laws/VAT/102-C>)
- **NYS Rules for ATVs/Dirt Bikes** (<https://dmv.ny.gov/brochure/atvs-information-owners-and-operators>)

The proposed revision offered by the NY NJ Trail Conference in partnership with the Yorktown Trail Town Committee (attached) ensures that this vital distinction is made between bicycles and ATVs, dirt bikes, and limited off-road use vehicles. ATVs and dirt bikes have a far more damaging impact on the trails than trail bicycle and electric bicycle use. Further, it aligns the town's laws with the State's definitions and requirements.

As a trail bicycle rider and volunteer trail maintainer with the NY NJ Trail Conference and Westchester Mountain Bike Association on Yorktown's trails, I encourage the Town Board to adopt clear definitions for each vehicle category to ensure the law is effective and enforceable.

Thank you!

Laura Kelly
