## RFI RESPONSE

---

---

**RFI RESPONSE:** RFI-01

**DATE:** MAY 31, 2024

**SUBJECT:** ELECTRICAL AND PLUMBING PERMIT FEE STRUCTURE

---

1. The electrical permit fee for commercial construction is \$175.00 and the inspection fees are based upon the number of devices. Consultation with the inspection underwriter would be required for a complete estimate on the inspection fee.
2. Plumbing permit fees for commercial work are \$130.00 for the first three fixtures and \$20.00 per fixture after that. Plumbing equipment (hot water heaters, etc.) is a percentage of the cost of construction of that particular device.
3. Additional information regarding permit and inspection fees can be made directly to the Building Department at 914.962.5722 Ext. 233.

Thank you,

David A. Tetro, Architect P.C.
