To: Town Board
From: Planning Board
Date: September 27, 2024
Subject: Town Board Referral – Battery Storage Facilities Moratorium

At its meeting of September 23, 2024, the Planning Board discussed the subject referral. The Board is in favor of the proposed moratorium due to the potential health and safety risks involved with battery storage facilities. More information must be obtained to ensure that both the public and emergency responders are well equipped to manage the risks involved with such facilities.

Respectfully submitted,

Ian Richey
Assistant Planner
